A Talent for

with all her contraptions, the fairies' work easier well, as long as she food

A Workshop

Tinker Bells loves spending time in her workshop. It's a metal teapot abandoned by humans, and it is also her house! Here she tinkers, invents useful contraptions and repairs all sorts of gadgets.

She loves her work so much that she never sticks her wings outside of her house until she is satisfied with the result! Luckily, she has great friends who are able to drag her away from tinkering and out into the open air, maybe for a spin around in search of Lost Things!

Tinkering!

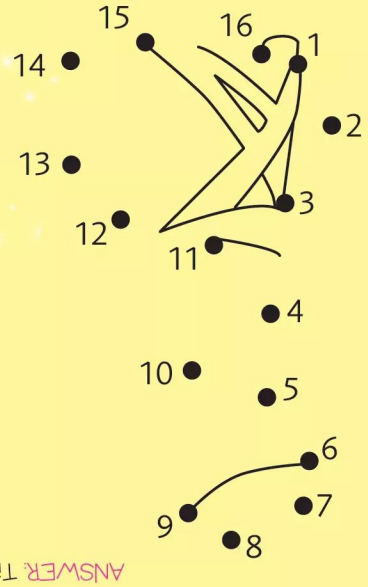
Tinker Bell makes and more fun! doesn't attempt recipes!

Surprising Contraptions

One of Tinker Bell's first inventions was a flower sprayer that the fairies used to revive drooping flowers or to paint butterflies or ladybugs. Since then, she hasn't stopped amazing her friends with her tinker talent.

She even invented a snowmaker to take her sister, Periwinkle, a frost fairy, on a trip to the warm kingdoms.

There is one tool that Tinker Bell couldn't do without. Connect the dots and discover what it is!



ANSWER: Tink's hammer.

Cooking Talent?

FAIRY MARY NEEDS TINK'S HELP...

NOW THIS MACHINE IS REALLY FLITTERIFIC!

NOW IT'S TIME TO TRY IT OUT...
SO LET'S TRY TO MAKE A DRINK... LET'S ADD MINT, BLACKCURRANT JUICE, TOMATO JUICE...
TOMATO JUICE

A Party

Unleash your tinker talent and a new and colourful container,

WHAT YOU NEED

- A RECYCLED CARDBOARD TRAY
- GREEN, FUCHSIA, BLUE AND VIOLET TISSUE PAPER
- WHITE GLITTER
- SCHOOL GLUE
- MEDIUM FLAT-TIP BRUSH
- SCISSORS

1

Cut out as many strips of tissue paper as you need to cover the tray. Keep in mind that the strips that go over the edges have to stick out like in the picture. Have fun alternating the colors for a vibrant look.

Tip! For the corners, cut out narrower strips - in this way you will not have white spaces!

2

Prepare the glue: in a bowl mix two tablespoons of school glue and two of water, and then add a dusting of white glitter.

Tray!

turn a recycled tray into perfect for a party!

3

Start gluing: start from the edges, and remember to let the strips stick out. Then go on to the center parts, using the strips of tissue of the right size to cover the white spaces.

4

Let it all dry out completely, and bend and glue the strips sticking out over the edge on the back of the tray.

Draw the outlines: a circle for her head, an oval for her chest and a somewhat flattened circle for her hips. Then sketch her arms and legs.

Draw in facial features and body details, the wings and the outline of the dress.

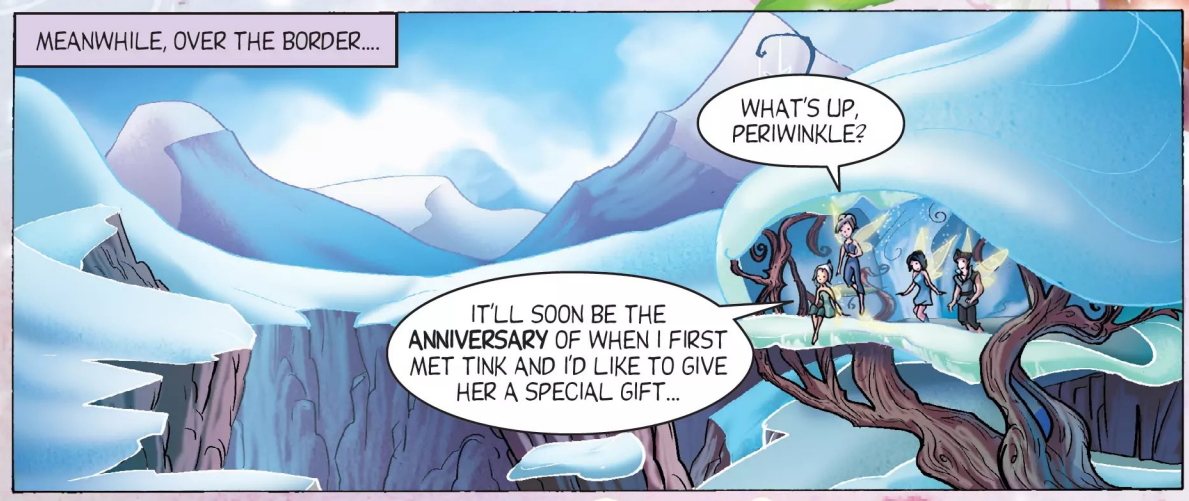
The Perfect Gift

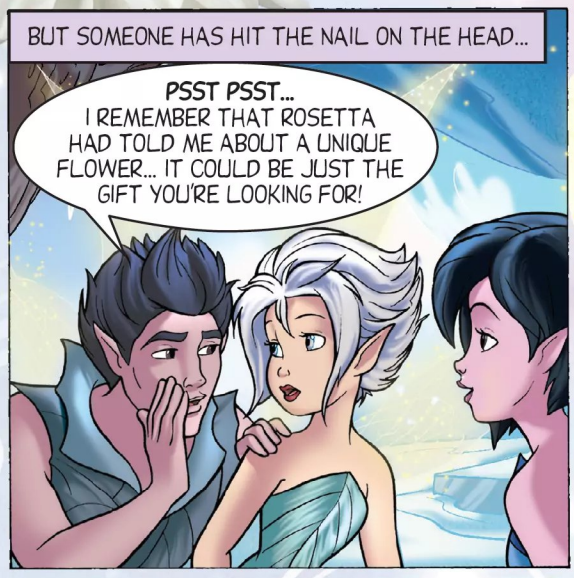
AND AFTER A SHORT EXPLANATION...
IN A FEW DAYS' TIME IT'LL BE THE ANNIVERSARY OF WHEN I FIRST MET PERIWINKLE AND I WANTED TO GIVE HER A **SPECIAL GIFT**... BUT I CAN'T COME UP WITH ANYTHING!
WE'LL HELP YOU FIND THE RIGHT GIFT! I THINK YOU SHOULD GIVE HER ...
... A **DEWDROP**... DELICATE AND SPARKLING, JUST LIKE YOUR FRIENDSHIP!
BUT IT WOULD FREEZE IN THE WINTER WOODS...
WELL I'D GIVE HER A **PEACOCK'S FEATHER**... IT'S AN EXOTIC ANIMAL...
BUT SHE'S NEVER SEEN ONE!
WHY DON'T YOU GIVE HER A **SUNBEAM** AT SUNSET? I COULD HELP YOU GET IT!
I'VE GOT BAD MEMORIES OF SUNBEAMS...
IF YOU LIKE, WE COULD GATHER THE VOICE OF THE WIND...
BUT IT WOULD JUST FLY AWAY IMMEDIATELY!
WE STILL HAVEN'T HEARD ROSETTA'S IDEA...
I'VE GOT JUST THE THING: A **SNOWDROP**! IT'S THE PERFECT FLOWER... IT'S DELICATE AND CAN WITHSTAND THE COLD, JUST LIKE YOUR FRIENDSHIP!
THIS IS A TRULY ORIGINAL IDEA!
THANKS, ROSETTA! IT'S THE PERFECT GIFT FOR PERIWINKLE!



MEANWHILE, OVER THE BORDER....
WHAT'S UP, PERIWINKLE?
IT'LL SOON BE THE **ANNIVERSARY** OF WHEN I FIRST MET TINK AND I'D LIKE TO GIVE HER A SPECIAL GIFT...

... BUT SHE DOESN'T HAVE A CLUE...
WE'LL HELP YOU!
REALLY? OH, THANKS, GUYS!

AND SO...
YOU COULD GIVE HER AN **ICE CRYSTAL**...
OH YES, EVERY CRYSTAL IS UNIQUE!
MMM... BUT IT WOULD MELT STRAIGHTAWAY!



BUT SOMEONE HAS HIT THE NAIL ON THE HEAD...
PSST PSST... I REMEMBER THAT ROSETTA HAD TOLD ME ABOUT A UNIQUE FLOWER... IT COULD BE JUST THE GIFT YOU'RE LOOKING FOR!

THANKS, SLED! IT'S A FANTASTIC IDEA!

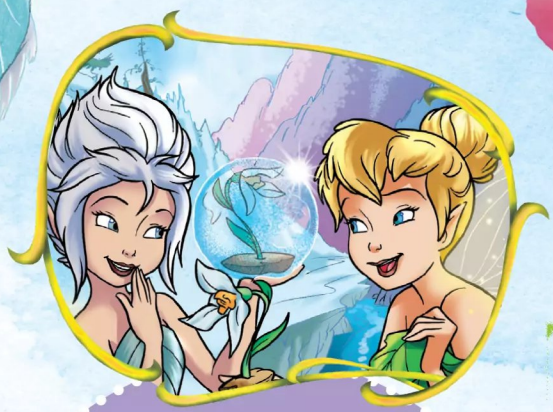
AND SO THE DAY OF THE ANNIVERSARY HAS COME. THE TWO FAIRIES ARE EXCITED... AND A LITTLE WORRIED!
LET'S HOPE TINK LIKES MY GIFT!
LET'S HOPE PERIWINKLE LIKES MY GIFT!
I'VE GOT A GIFT FOR YOU!
AND SO...
HAHAHAHA! IT'S THE SAME FLOWER...
HEHEHEHE! WE ARE SISTERS, AFTER ALL!
THE END

The Snow Flower

It's the first flower to blossom when the snow starts to melt, and with its sweet scent it announces the arrival of Spring!

Naturally Magical!

What makes the delicate snowdrop so enchanting? Its pure beauty, of course, but also the little bit of magic it can do. While the other plants are under the cozy, warm earth as bulbs or seeds, this delicate and strong flower pushes up through the frozen ground until it makes a hole in the snow!



A Perfect Gift

It is also called the "morning star" because it is the first flower to appear at the end of winter. In the language of flowers, the snowdrop means joy, hope and charm. Rosetta couldn't have suggested a better gift for the anniversary celebration of the day Tink and Periwinkle first met!

How many snowdrops are peeking out on this page?

Rosetta's Beauty Spot
NOW WE JUST HAVE TO WAIT FOR TINK!
